EDUCATION

Charotar University of Science and Technology (CHARUSAT)
Master of Computer Applications (MCA) | Pursuing

Anand, India
2025 – Present

Dharmsinh Desai University (DDU)
Bachelor of Computer Applications (BCA)

Nadiad, India
2022 – 2025

TECHNICAL SKILLS

Languages: JavaScript, Core Java, SQL, C, C++
Frontend: HTML, CSS, Bootstrap, React.js
Backend: Node.js, Express.js, RESTful APIs, JWT Authentication
Databases: MongoDB, MySQL, DBMS
Tools & Platforms: Git, GitHub, VS Code, Postman

INTERNSHIP EXPERIENCE

Full Stack Developer Intern | Softsove, Anand | Plate2Door

Dec 2024 – Mar 2025

- Developed a production-ready online food delivery platform using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Developed responsive user interfaces for food browsing, cart management, checkout, order tracking, and profile management.
- Designed and built an admin panel to manage food items, categories, coupons, orders, and user feedback.
- Created RESTful APIs with JWT-based authentication and role-based access control for users, admins, and delivery partners.
- Integrated the Stripe payment gateway and Cash-on-Delivery (COD) with secure order confirmation workflows.
- Delivered a delivery partner module enabling order assignment, availability toggle, and real-time order status updates.

TRAINING EXPERIENCE

Web Development Trainee (Online) | Acmegrade

Sep 2025 – Oct 2025

- Completed a one-month online training in Full Stack Web Development fundamentals.
- Built responsive web pages using HTML, CSS, Bootstrap, and modern layout techniques such as Flexbox.
- Practiced JavaScript concepts including DOM manipulation, dynamic UI updates, callbacks, and promises.
- Gained introductory exposure to backend development using Node.js, Express.js, and middleware concepts.
- Studied authentication fundamentals including JWT-based authentication, route protection, and secure module access.
- Worked on basic functional modules such as product handling, cart management, and user interaction flows.
